I would like to order:

INFLUVAC® TETRA DOSES [1144113], funded influenza vaccine (only available in multiples of 10).

INFLUVAC® TIV DOSES [1145866], funded influenza vaccine (only available in multiples of 10).

Note: FLUARIX® TETRA is no longer available.

You will be supplied the doses that you commit to in your online or faxed order (please remember we cannot split boxes).

Notes for providers:

- Please base FLUARIX® TETRA stock on your known population of children aged under 3 years, i.e. aged 6–35 months, who are eligible for funded influenza vaccination.
- Please consider your refrigerator capacity and the addition of Zostavax® to the National Immunisation Schedule on 1 April 2018.

Influenza chilly bins cannot be recycled. To reduce wastage when ordering, please consider your expected usage. A small bin holds 60 doses, a medium chilly bin holds up to 120 doses, a large bin holds up to 180 doses, and the extra-large bin holds up to 500 doses.

Note: Due to demand, please allow up to 48 hours before dispatch. Please do not book your clinics before your stock has arrived.

Total influenza vaccine order must meet minimum quantities as follows:

MARCH	APRIL	MAY	JUNE	JULY	AUG-DEC
Min 60 doses	Min 60 doses	Min 60 doses	Min 30 doses	Min 20 doses	Min 10 doses

NOTE: Some orders may have a temperature logging device included with the shipment. Do not be concerned if your shipment does not contain a temperature logging device.

Refund for unused/expired funded influenza vaccine

One refund will be available for a total of 10 doses of unused INFLUVAC® TETRA and/or one dose of unused FLUARIX® TETRA from any one account. Return arrangements for INFLUVAC® will be advised before the end of the season. To be eligible for a refund, the unused stock must be returned prior to 31 January 2019. Please ensure you continue to have influenza vaccine stock available until 31 December for those who are eligible for influenza vaccination. Contact Healthcare Logistics on 0508 425 358 to request a Return Authorisation.
