Email address for invoice: _____

(Email address for invoicing only needs to be provided once)

Customer purchase order number (if applicable): _____

I would like to order:

AFLURIA® QUAD DOSES [1153792], funded influenza vaccine (only available in multiples of 10).

AFLURIA® QUAD JUNIOR DOSES [1153793], funded influenza vaccine
(only available in single dose packs).

You will be supplied the doses that you commit to in your online or faxed order. Boxes cannot be split.

Notes for providers:

- Due to demand, please allow up to 48 hours for dispatch. Please do not book your clinics before the stock has arrived
- AFLURIA® QUAD minimum order quantities are as follows:

MARCH–MAY	60 doses
JUNE–JULY	30 doses
AUGUST	20 doses
SEPTEMBER ONWARDS	10 doses

- AFLURIA® QUAD JUNIOR has a maximum order quantity of 20 doses. If you have high demand and require more than 20 doses at the start of the season, please contact HCL
- To reduce wastage when ordering, please consider your expected usage. A small bin holds 60 doses, a medium chilly bin holds up to 80 doses, a large bin holds up to 180 doses, and the extra-large bin holds up to 300 doses
- Some orders may have a temperature logging device included with the shipment. Do not be concerned if your shipment does not contain a temperature logging device

Refund for unused/expired funded influenza vaccine

Please ensure you continue to have influenza vaccine stock available until 31 December for those who are eligible for influenza vaccination. One refund will be available for a total of 10 doses of unused AFLURIA® QUAD and/or one dose of unused AFLURIA® QUAD JUNIOR from any one account. To be eligible for a refund, the unused stock must be returned prior to 31 January 2021. Contact Healthcare Logistics on 0508 425 358 to request a Return Authorisation.

This form is also available on influenza.org.nz in the *Resources* section.
